

# E-LIFE KIOSK EK-319

## Industrial Kiosk

### GENERAL INFORMATION

- 19" Projected Capacitive Touch Screen Display
- 10-Points Multi-Touch Feature
- Industrial Grade Box PC
- Standard Intel® Celeron™ J1900 Quad-Core Processor
- i3, i5 and i7 CPU Options
- 7/24 Non-Stop Operation
- Durable and Ergonomic Chassis Design
- Versatile Barcode Printer Drawer with Rail
- Thermal Printer, Card Reader, Barcode Scanner and Metal Keyboard Options
- Easy Access Locked Back Door for Service and Maintenance
- Wooden Packing for Secure Transportation and Delivery

**Industrial version of New Generation E-Life Kiosk Series EK-319, has been developed as a solution for reliable and durable kiosk needs, especially in all industrial environments. EK-319 combines an easy-to-use barcode printer drawer in a functional design with advanced features.**

### Strong Team Player of Digital Transformation Projects

Industrial version of New Generation E-Life Kiosk Series EK-319, has been developed as a solution for reliable and durable kiosk needs, especially in all industrial environments. EK-319 combines an easy-to-use barcode printer drawer in a functional design with advanced features.

### Designed for Digital Transformation in Industrial Environment

E-Life Kiosk EK-319 Industrial Kiosk aims to add a new dimension to the kiosk solutions needed in industrial environment and especially for digital transformation projects at production area. EK-319's durable 19" Multi Touch Projected Capacitive Touch Screen allows fast data entry, while the EK-319 works as a durable and functional industrial workstation with its built-in barcode printer drawer and other optional peripherals.

### High Performance and Rich I/O

E-Life EK-319 provides high CPU performance in all self-service applications with its standard Intel Celeron J1900 CPU and Intel Core i3, i5 and i7 processor options. EK-319 provides fast and easy deployment in the field with its enhanced I/O structure and various peripheral options.

### Fast and Sensitive Multi-Touch PCAP

E-Life EK-319 combines high sensitivity and fast operation with 10-Point Multi-Touch with its 19" Projected Capacitive Touch Screen, which is used as standard in all new generation E-Life Kiosk models. This new PCAP Touch Screen feature offers a user experience like mobile phones.

### Functional and Adaptable

With the versatile barcode printer drawer with rail at the front of the kiosk, it is possible to adapt different barcode printers which already been used at work floor on EK-319. An optional keyboard drawer can also apply on EK-319 to provide a secure keyboard usage in industrial environment. Thus EK-319 can be quickly adapted to different application needs with many peripheral options such barcode printer, barcode reader, keyboard that can be integrated in kiosk.

# Technical Specifications

## Processor

Intel® Celeron® J1900  
Quad-Core 2.00 GHz  
Optional Intel Core i3 and i5  
Processor with other Inno-Box  
PC Models

## RAM

4GB 1333 MHz DDR3L

## PC Module

Inno-Box J1900 Industrial  
Box PC

## SSD

64 GB mSATA SATAIII SSD

## PC Chassis

Aluminum with Fanless  
Architecture

## Display

19" TFT LCD

## Display Resolution

1280 x 1024

## Display Brightness

350 cd/m2

## Display Contract

1000:1

## Touch Screen

Multi-Touch Projected  
Capacitive Zero-Bezel

## Touch Screen Features

10-Points Multi-Touch,  
Glass to Glass Structure

## Graphics Adapter

Intel® HD Graphics

## LAN

2 x Realtek RTL8111G  
Gigabit Ethernet

## Serial Ports

6 x RS232

## USB

5 x USB 2.0  
1 x USB 3.0

## Audio

Realtek ALC269, 2 x 5  
Watt Stereo Speaker

## Power Supply

150 Watts Industrial Grade  
Power Supply

## Kiosk Chassis

Metal Body with Electrostatic  
Power Paint  
Barcode Printer Drawer with  
Rails and Lock  
Modular Front Cover for Easy  
Peripheral Integration  
Locked Front Door  
Customized Color Options

## Mounting

Floor Mount Holes at Bottom

## Packing

Optional Wooden Pack for  
Transportation

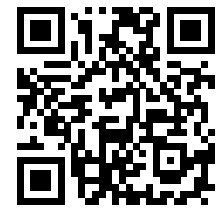

## Optional Peripherals

Various Barcode Printers to be  
Integrated in Drawer  
MIFARE or MSR Reader 60 or  
80 mm Thermal Kiosk Printer  
1D/2D Barcode Scanner  
Wi-Fi Adapter  
Stainless Steel Keyboard and  
Trackball
